Discover Your Strengths: Build a Career on What You Do Best

Leadership Development Series #1: StrengthsFinder - Tuesday May 25 - 5:30pm - 9:00pm
Sales Productivity Consultants, Inc. - 2727 Bryant St Suite 230 - Denver, CO 80211
\$20 members/\$30 non-members - Package of 3 Workshops: \$56 members/\$80 non-members

Do you have the opportunity to do what you do best EVERY day?

Chances are, you don't. All too often, our natural talents go untapped. From the cradle to the cubicle, we devote more time to fixing our shortcomings than to developing our strengths.

To help people uncover their talents, Gallup introduced the first version of its online assessment, StrengthsFinder, in the 2001 management book *Now, Discover Your Strengths*. The book spent more than five years on the bestseller lists and ignited a global conversation, while StrengthsFinder helped millions to discover their top five talents.

In StrengthsFinder 2.0 Gallup unveiled the new and improved version of its popular assessment, language of 34 themes, and much more. While you can read this book in one sitting, you'll use it as a reference for decades.

Loaded with hundreds of strategies for applying your strengths, this Wall Street Journal, Business Week, and USA Today bestseller will change the way you look at yourself – and the world around you – forever.

WORKSHOP

Join NAAAP Colorado Board Director Melodie Reagan, Talent Executive, Auromira and other NAAAP Colorado Board Directors for an engaging workshop to learn your strengths and how to be a strengths-based leader. This is a great opportunity for team building too. Invite your boss, your peers and employees participate. You'll value what you learn and it will make you more effective in your career and as a leader. At NAAAP, We Make Leaders!

The cost for this workshop is \$20 for members, \$30 for non-members. However, participants have the opportunity to register for all three Leadership Development workshops at a discount of 20%: \$56 for members, \$80 for non-members.

IMPORTANT PREPARATION

Included in the workshop, you will receive a copy of StrengthsFinder 2.0. The book includes a code key to complete the StrengthsFinder Profile. Following registration, you will receive an email with the website and code to complete the assessment. The assessment must be completed prior to the workshop and you need to bring the results of your assessment to the workshop for full participation.

Due to required preparations, there will be a registration deadline for this event TBA.
